

# The Liberty Bell

Kids from the MWF 5's enjoying outdoor gross motor as the weather warms.

## GET READY FOR KINDERGARTEN

As the weather warms it means we are getting outdoors to play -- but it also means our school year is coming to a close! In a little more than five weeks we will say our goodbyes and greet summer with excitement! Many of our students, however will be headed to kindergarten in the fall. We wanted to leave those folks with some helpful hints as you prepare for the transition from preschool to elementary school. First, be certain to start your bedtime routine a few weeks before the big day! Second, label everything -- coats, lunch boxes, book bags, etc. Third, read books together about starting school. Lastly, when packing your student's lunch be certain they can open and close all the containers you send to school as there will be many students dining together and very few adults supervising the lunch room. They may not be able to provide a lot of assistance in this department. Don;t forget! LEEC also offers a KD Club wherein your student returns on the Wednesday's they do not have classes at OLSD. See the office for more information.

Preschool Director

### A Little Bit About MRS. WERTS

Mrs. Werts has three elementary aged children: two boys and one girl. She has taught in the OLSD district and this is her third year at LEEC. She enjoys running, diet coke and spending time with her kids!

**Favorite Snack:**  
Coke and pizza!

**Favorite Color:**  
Blue

**Favorite Animal:**  
elephant

**If you could travel anywhere in the world, where would you go?**

Australia

**What's your favorite pastime?**

Watching my kids play sports!

Yoga classes on the turf in our climbing/playground area!

As we prepare to say our goodbyes, all of us here at LEEC are excited for the bright futures that await everyone. Hoping you will remember all the special moments we have shared together. From our first day of school to our daily adventures and discoveries each memory holds a special place in our hearts. Let's cherish the last days we have together and celebrate all that we have accomplished. It's been an unforgettable year and you all have made such great progress in and outside the classroom!

## END OF YEAR FAMILY NIGHT EVENT

Save the date for our Family Night Event! This evening has been a fun time for kids to hang with their friends, grab a hot dog and enjoy some STEAM activities planned by your LEEC teachers! The event will run from 5 pm to 6:30 pm. We are planning to have food ready at 5 pm so if you want to sit down and enjoy a hot dog and some chips before the STEAM activities arrive at 5. Around 5:30 we will open the STEAM tables and kids can begin visiting and having fun! Siblings are included and we hope the whole family can join in on the food and fun!

Three's enjoying oobleck making.

## Link Your Kroger Account

You can help your school purchase materials simply by participating in Kroger's Community Rewards Program. Log in to your online Kroger account. Go to "my account" and select the Community Rewards tab on the left. You will click on the Community Rewards and add our organization.

**LF919 is the code.**

*this helps a lot!*
